In the matter of:
James L. Schmidt, M.D.

CONSENT ORDER

Pursuant to Section 5-37-5.1 of the General Laws of the State of Rhode Island, 1956, as amended, a complaint was filed with the Board of Medical Licensure and Discipline (hereinafter referred to as "Board") charging James L. Schmidt, M.D., Respondent, with violations of Section 5-37-5.1 of the General Laws of the State of Rhode Island, 1956, as amended. An investigation was conducted by Investigating Committee III, so called, of the Board.

Investigating Committee III reported its evaluations and recommendations to the Board. The report was reviewed by the Board and it recommended further action.

The following constitutes the Investigating Committee's Findings of Fact with respect to the professional performance of the Respondent.

Findings of Fact

1. The Respondent was previously issued a license to practice medicine in the State of Rhode Island. Effective January 2, 1989, said license lapsed upon its non-renewal.

without demonstrated medical need, and was alcohol dependent. Further, the Respondent voluntarily surrendered his license in another state for acts which, if committed in Rhode Island, would be considered "unprofessional conduct."

3. The Board of Medical Licensure and Discipline concludes that the allegations, if proven, would constitute unprofessional conduct in violation of Rhode Island General Laws 5-37-5.1 (5) (26).

The parties agree as follows:

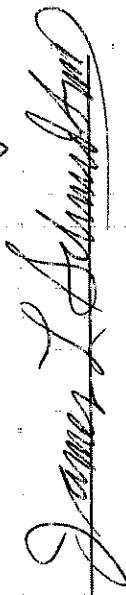

- (1) The Respondent was a physician licensed and doing business under and by virtue of the Laws of the State of Rhode Island, license number 3927.
- (2) Respondent admits to the jurisdiction of the Board and hereby agrees to remain under the jurisdiction of the Board.
- (3) Respondent has read this Consent Order and understands that it is a proposal of Investigating Committee III of the Board and is subject to the final approval of the Board. This Consent Order is not binding on respondent until final ratification by the Board.
- (4) Respondent hereby acknowledges and waives:
 - a. The right to appear personally or by counsel or both before the Board;
 - b. The right to produce witnesses and evidence in his behalf at a hearing;
 - c. The right to cross examine witnesses;

- g. Any objection to the fact that this Consent Order will be presented to the Board for consideration and review;
- h. Any objection to the fact that it will be necessary for the Board to become acquainted with all evidence pertaining to this matter in order to review adequately this Consent Order;
- i. Any objection to the fact that potential bias against the Respondent may occur as a result of the presentation of this Consent Order.
- (5) If the Consent Order is not accepted by the Respondent, the Investigative Committee will recommend to the Board that an Administrative Hearing be scheduled with respect to any and all acts of alleged unprofessional conduct. If the Board approves, a Hearing Committee will be convened for the purpose of conducting the Administrative Hearing. The composition of the Hearing Committee is described by statute. If the Hearing Committee votes in favor of finding the Respondent guilty of unprofessional conduct as specified in the charges, the Board shall prepare written finding of fact and law in support of said conclusion. If the accused is found not guilty, the Board shall, forthwith, issue an order dismissing the charges.
- (6) Acceptance of this Consent Order constitutes an admission by the Respondent of the facts set forth herein.
- (7) This Consent Order shall become part of the public

disciplinary action.

(9) Respondent voluntarily accepts the Board's finding of unprofessional conduct with a sanction of a voluntary surrender of his license to practice medicine in the State of Rhode Island. Respondent may reapply for Rhode Island licensure upon successful return of his license to practice medicine in the Commonwealth of Virginia.

Signed this 4th day of Aug, 1994.

James L. Schmidt, M.D.
